ANNEXURE-D

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure & Overview

Information Technology industry is going through a disruptive phase and is expected to diversify in terms of growth in cyber offerings. Indian IT companies are also looking to capitalise and bank on offerings in field of cyber products and services to maintain the competitive edge globally. The business environment across the globe today is undergoing a massive transformation with increase in use of technology and business friendly products. These changes have resulted in increased use of analytics and digital technologies for business which has evolved as an opportunity for IT industry in addition to cyber offerings.

In the recent years, the industry has seen demand in digital technologies, cloud-based applications, big data & analytics, mobile systems, social media and cyber security. The rate of change and the level of disruption driven by modern technology are exponential. Companies across the entire IT space are changing how they deliver their offerings with added service of analytics, artificial intelligence which is generating new revenue opportunities.

Business Overview

Your company is well established in delivering software development services and solutions globally. Your company is in phase of expanding its product base in cyber products and services. After specialising in off/on-shore software product development, software migration, multimedia design & development, application development & maintenance, web designing, digitization of engineering drawings, and search engine optimization, the company is looking at growing exponentially with new offerings in cyber space.

Future Outlook

India has remain the top most destination for IT companies across the world. Amidst the constant change, challenges and opportunities, NINtec constantly strives to recognize the business opportunity behind the changing environment especially in identifying offerings in new arenas i.e. cyber space which is really useful in the competitive environment. While our clients proactively seek support and strategic inputs as they look towards embarking on their digital journey, our team imbibes the leading best practices with out of box solutions to deliver client objectives. The company's strategy for long term growth is to continuously expand the addressable market, increase the customer-base and superior execution that gives clients an experience of digital transformation.

Opportunities and Threats

With the change in emerging technology areas, companies have become dependent on technology not only for day-to-day operations, but also for the use of technology as a strategic tool to enable them to re-engineer business processes, restructure operations, ensure regulatory compliances, etc. and with increase in use of artificial intelligence Over the coming years, the industry will see huge demand in cyber products and services as global threats have increased leading to demand in cyber space & analytics etc. The IT Industry has the powerful opportunity to deliver results in cyber space. The company's business model is such that it will help in evolving to meet the pace of change in its offerings to seize the existing growth opportunities.

The IT space faces currency risks where operating results are impacted by fluctuations in the exchange rate between the Indian Rupee and other foreign currencies. Further, the cyber risk has

emerged as a top risk across industries now. Moreover, Apart from these threats, economic uncertainties in the international markets can also have a deep impact on demand for our services. Other general threats to the business continue to include competition among Information and Technology companies/service providers.

Financial Highlights

During the year under review, the company has achieved revenue from operations of Rs. 7,83,44,014/- and Profit after tax for the year stood at Rs. 85,66,068/- as compared to the previous Financial Year 2017-18 where the Revenue from Operations was Rs. 33,61,87,221/- and Profit after tax was Rs. 51,89,601/-. The Basic and Diluted Earnings per share of the company as on 31st March, 2019 is Rs. 1.25 on a standalone basis.

Foreign Currency Risks

Volatility in global economies have become the new common in recent times and since India IT industry is largely focused on markets outside India, fluctuations in major currencies due to unstable economic conditions impact revenue and profits of the IT industry. However, the company has a defined policy for managing its foreign exchange exposure minimising the currency risk which results in stable earnings.

Human Resources

Your company is focused in balance work life approach which promotes employee innovation, excellence and mutual trust between all the personnel and the company. The company also focuses on systematic training programmes and developing the technical and behavioural skills of the personnel's at each level of organisation to upgrade and innovate the work culture. Your Directors acknowledge and thank employees for their constant support.

Cautionary Statement

Statements made in this Management Discussions and Analysis describing company's objectives and predictions may be "forward-looking Statements" involving future plans of the company within the meaning of applicable laws and regulations. Actual results may differ from those expressed herein. The company is dependent on factors that can impact the operations i.e. Government regulations, tax regimes, and economic developments within India and other countries. Readers are cautioned not to place undue reliance on these forward-looking statements that speak only as of their dates. The following discussion and analysis should be read in conjunction with the Company's financial statements included in this report and the notes thereto. Investors are also requested to note that this discussion is based on the Standalone Financial Results of the company.

SECRETARIAL AUDITORS' REPORT

ANNEXURE-F

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies
(Appointment and Remuneration of Personnel) Rules, 2014]

To,
The Members,
NINtec Systems Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by NINTEC SYSTEMS LIMITED (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion read with Annexure A forming part of this report, the Company has during the audit period covering the financial year ended on 31st March, 2019, complied with, , in general, the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I/we have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made there under;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:-
 - a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - e) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

- g) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- h) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

We have also examined compliance with the applicable clauses of

1. Secretarial Standards issued by the Institute of Company Secretaries of India
2. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

We hereby report that during the period under review, the Company has complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

- VI. We further report that having regard to the compliance system and process prevailing in the Company and on examination, on test-check basis, of the relevant documents and records thereof, the Company has complied with the provision of (1) The Information Technology Act, 2000, (2) Policy relating to Software Technology Parks of India and its regulations as are specifically applicable to the Company.

We further report that

- a) The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.
- b) Adequate notice is given at least seven days in advance to all directors to schedule the Board Meetings. As informed to us, the Company has also provided agenda and detailed notes on agenda to the directors, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- c) Majority decision is carried through while the dissenting members' views are captured and recorded, wherever applicable, as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with other applicable laws, rules, regulations and guidelines.

We further report that during the audit period, no major events took place under the Companies Act, 2013 having bearing on the Company's affairs.

2nd September, 2019

“ANNEXURE A”

To
The Members
NINtec Systems Limited

Our report of even date is to be read along with this letter.

1. Maintenance of Secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and process as considered appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification as done on test basis is to reasonably ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. In respect of laws, rules and regulations other than those specifically mentioned in our report above, we have limited our review, analysis and reporting up to process and system adopted by the Company for compliance with the same and have not verified detailed compliance, submissions, reporting under such laws etc. nor verified correctness and appropriateness thereof including financial records and books of accounts of the Company.
4. Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, Rules, Regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to compliance in totality or the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
Nintec Systems Limited
Ahmedabad.

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Nintec Systems Limited ('the Company'), which comprise the balance sheet as at 31st March, 2019, the statement of profit and loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. However, we have no such matters to be reported under this para.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

INDEPENDENT AUDITOR'S REPORT-ANNEXURE A

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Nintec Systems Limited ("the Company") as of 31 March 2019 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITOR'S REPORT-ANNEXURE B

The Annexure referred to in our Independent Auditors' Report to the members of the Company on the financial statements for the period ended **31st March, 2019**, we report that:

- i Fixed assets :
 - d) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - e) The Company has a regular programme of physical verification of its fixed assets. In accordance with this programme, certain fixed assets were verified during the period and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - f) According to the information and explanations given to us, the company does not have any immoveable property so this clause is not applicable.
- ii The Company is a service company, primarily rendering software services. Accordingly, it does not hold any physical inventories. Thus, paragraph 3(ii) of the Order is not applicable to the Company.
- iii According to the information and explanations given to us, the Company has not granted secured or unsecured loans to the companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act') so this clause is not applicable.
- iv According to the information and explanations given to us, there were no transactions made in respect of loans, investments, guarantees, and security in respect to section 185 and 186 of the Companies Act, 2013 so this clause is not applicable.
- v According to the information and explanations given to us, the company has not accepted deposits and hence no question arises on compliance of the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules framed thereunder, where applicable.
- vi The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company.
- vii In respect of Statutory Dues :
 - a) According to the records provided by the Company, the company has been regular in depositing undisputed statutory dues, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities during the period and there were no arrears of any outstanding statutory dues as at 31st March, 2019 for a period of more than six months from the date they became payable.
 - b) According to the information and explanations provided to us, there were no undisputed demands payable in respect of income tax or sales tax or service tax or duty of customs or duty of excise or value added tax and no amount has been deposited on account of any dispute.
- viii The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders during the year. Accordingly, paragraph 3(viii) of the Order is not applicable.

- ix According to the information and explanations given to us, the Company has not raised moneys by way of initial public offer ~~or further public offer (including debt instruments)~~ and also has no term loan during the period so this clause is not applicable.
- x To the best of our knowledge and belief and according to the information and explanations given to us, no material fraud by the Company or no material fraud on the Company by its officers or employees was noticed or reported during the period.
- xi According to the information and explanations given to us, the Company has paid or provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
- xii In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.
- xiv According to the information and explanations given to us, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review so this clause is not applicable.
- xv According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi According to the information and explanations given to us, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 so this clause is not applicable.

NOTES FORMING PART OF THE BALANCE SHEET AND STATEMENT OF PROFIT AND LOSS

COMPANY OVERVIEW & SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNTS FOR THE PERIOD ENDED 31st MARCH, 2019

1.1. COMPANY OVERVIEW

NINtec Systems Limited (The Company) is a leading provider of software development services and solutions across the globe specialising in diverse industry verticals like Automotive, Print Media & Publishing, Banking, Financial Services & Insurance (BFSI), Transportation and Logistics.

The Company is a public limited Company incorporated and domiciled in India and has registered office in Ahmedabad, Gujarat, India. The Company is listed on the BSE -SME.

The financial statements are approved for issue by Company's Board of Directors on May 21, 2019.

1.2. SIGNIFICANT ACCOUNTING POLICIES:

A. Basis of Preparation of Financial Statements:

The financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 under the historical cost convention on the accrual basis. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

i. Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the functional currency

ii. Basis of Measurement

The financial statements have been prepared on the historical cost basis.

iii. Use of Estimates and Judgements:

In preparing these financial statements, management has made judgements, estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, incomes and expenses. Actual results may differ from these estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized prospectively.

- Judgements:

There are no significant judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements.

- Assumptions and estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year, if any are included in the respective note.

- Measurement of fair value

The Company has established policies with respect to the measurement of fair values. The Company regularly reviews significant valuation adjustments. Significant valuation issues are reported to the Company's Board of Directors.

B. Financial instruments

2) Financial Assets:

i) Classification

The Company classifies its financial assets in the following measurement categories:

- Those measured at 'Amortized cost' and

- Those to be measured subsequently at either 'Fair value through other comprehensive income' (FVTOCI) or 'Fair value through profit or loss' (FVTPL).

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

- A financial asset is measured at amortized cost if it meets both following conditions and is not designated as at FVTPL:

a. the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and

b. the contractual terms of a financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- A debt investment is measured at FVOCI if it meets both following conditions and is not designated as at FVTPL:

a. the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and

b. the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- Financial assets are not reclassified after their initial recognition except if and in the period the Company changes its business model for managing financial assets.

ii) Measurement

At initial recognition, the company measures a financial asset when it becomes a party to the contractual provisions of the instruments and measures at its fair value except trade receivables which are initially measured at transaction price. Transaction costs are incremental costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss. A regular way purchase and sale of financial assets are accounted for at trade date.

iii) Subsequent measurement and gains and losses

Financial assets at FVTPL: "These assets are subsequently measured at fair value. Net gains including any interest or dividend income, are recognized in profit or loss."

Financial assets at amortised cost: These assets are subsequently measured at amortised cost using the effective interest rate method

The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on de-recognition is recognized in profit or loss.

iv) De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all the risks and rewards of ownership of the financial asset is transferred or in which the Company neither transfers nor retains substantially all the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all the risks and rewards of the transferred assets, the transferred assets are not derecognized.

2. Financial liabilities:

i) Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

ii) De-recognition

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in the profit or loss.

3. Offsetting

Financial assets and financial liabilities are off set and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

C. Property, Plant and Equipments:

(i) Recognition and measurement:

Property, Plant and Equipments are stated at its cost less accumulated depreciation. Cost comprise of purchase price and attributable cost, if any. The Company depreciates property, plant and equipment over the estimated useful lives using the Written Down Value Method. The estimated useful lives of assets are as follows:

Buildings - Leasehold	30 Years
Computer Equipment	3 Years

Office Equipment	5 Years
Furniture and Fixtures	10 Years
Vehicles – Freehold	8 Years
Electric Instruments & Installation	10 Years

"Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on assets and their respective additions / deduction have been provided on pro- rata basis according to the period for which each such assets have been put to use."

(ii) Subsequent expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

D. Impairment of assets

1. Impairment of financial assets

The Company recognizes loss allowances for financial assets measured at amortized cost using expected credit loss model.

At each reporting date, the Company assesses whether financial assets carried at amortized cost is credit- impaired. A financial asset is 'credit- impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset, have occurred.

For trade receivables, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

For all other financial assets, the Company measures loss allowances at an amount equal to twelve months expected credit losses unless there has been a significant increase in credit risk from initial recognition in which those are measured at life time expected credit risk.

Life time expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial asset. Twelve months expected credit losses are the portion of lifetime expected credit losses that represent the expected credit losses that result from default events on a financial instrument that are possible within the twelve months after the reporting date (or a shorter period if the expected life of the instrument is less than twelve months)

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The Company assumes that the credit risk on a financial asset has increased significantly if it is more than 360 days past due. The Company considers a financial asset to be in default when the borrower is unlikely to pay its credit obligations to the Company in full.

Measurement of expected credit losses

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

2. Impairment of non-financial assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognized if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss.

In respect of assets for which impairment loss has been recognized in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

E. Foreign Currency Transaction:

Transactions in foreign currencies are translated to the reporting currency based on the average exchange rate for the month. Exchange differences arising on settlement thereof during the year are recognized as income or expenses in the Profit and Loss Statement.

Cash and Bank balances, receivables and liabilities (monetary items) in foreign currencies as at the year-end are translated at closing-date rates, and unrealized translation differences are included in the Statement of Profit and Loss.

The Company enters into derivative contracts strictly for hedging purposes and not for trading or speculation. Derivative transactions settlement take place with the terms of the respective contracts and Profit/Loss if any is recognized at the time of settlement of the contract.

F. Income Tax:

(1) Provision for Current Tax is made as per the provisions of the Income Tax Act, 1961.

(2) Deferred Tax resulting from "timing differences that are temporary in nature" between accounting and taxable profit is accounted for, using the tax rates and laws that have been enacted as on the Balance Sheet date. The deferred tax assets is recognized and carried forward only to the extent that there is a reasonable or virtual certainty, as the case may be, that the assets will be realized in future.

(3) Minimum Alternative Tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability is considered as an asset if there is convincing evidence that the Company will pay normal tax. Accordingly, it is recognized as an assets in the Balance Sheet when it is probable that the future economic benefit associated with it will flow to the Company and the asset can be measured reliably.

(4) Tax on distributed profits payable in accordance with the provisions of the Income-Tax Act, 1961 is disclosed in accordance with the Guidance Note on Accounting for Corporate Dividend Tax issued by the ICAI.

G. Revenue Recognition:

Revenue is recognized on accrual basis. Revenue is reported net of discounts. Dividend is recorded when the right to receive payment is established. Interest income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable. Revenue from the software export is recognised as and when the software development activity is completed and delivered. Revenue is recognized in the accounting periods in which the services are rendered.

H. Expenditure :

Expenditure is recognized on accrual basis.

I. Employee Retirement Benefits:

i) Gratuity:

The Company accounts for its gratuity liability, a defined retirement benefit plan covering eligible employees. The gratuity plan provides for a lump sum payment to employees at retirement, death and on attending specified years of completed services as per The Payment of Gratuity Act, 1972. Liabilities with regards to Gratuity plan are determined based on the actuarial valuation carried out by an independent actuary as at the Balance Sheet date using Projected Unit Credit Method.

The Company recognizes the net obligation of a defined benefit plan in its Balance Sheet as as an asset or liability. Gains and losses through remeasurement of the net defined benefit liability / (asset) are recognised in other comprehensive income. The effect of any plan amendments are recognized in the Statement of Profit & Loss

ii) Provident Fund:

The eligible employees of the Company are entitled to receive the benefits of Provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (Currently at 12% of Maximum Base Pay of Rs.15000/- p.m.), which are charged to the Statement of Profit and Loss on accrual basis. The provident fund contributions are paid to the Regional Provident Fund Commissioner by the Company.

The Company has no further obligations other than its monthly contributions.

iii) Leave Encashment:

The Company is not having any policy for payment of leave encashment so no provision for the same has been made.

J. Inventories

The Company is not having any Inventory.

K. Preliminary Expenses

Preliminary and Pre- Operating expenses are written off entirely during the year on adoption of Ind AS.

Earning Per Share:

In determining earnings per share, the company considers the net profit / loss after tax. The no. of shares used in computing both basic and dilutive earnings per share is the weighted average number of shares outstanding during the period. There is no potential dilutive equity shares.

L. Cash Flow Statement

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

M. Segment Reporting

The company has only one reportable business segment. Hence, Segment Reporting as defined in IND AS-108 is not applicable.

2. TANGIBLE ASSETS

The changes in the carrying value of property, plant and equipment for the year ended 31st March, 2019 are as follows:

(Amount in Rs.)

Description of Assets	Buildings - Leasehold	Computer Equipment	Office Equipment	Furniture and Fixtures	Vehicles-Freehold	Electric Instruments & Installation	Total

Total	(2,34,361)	10,56,257

Principal Actuarial Assumptions

(Amount in Rs.)

PARTICULARS	As at 31 st March, 2019	As at 31 st March, 2018
Mortality	Indian Assured Lives Mortality (2006-08)	Indian Assured Lives Mortality (2006-08)
Salary Growth	6.50%	6.50%
Discount Rate	7.75%	7.60%
Expected Rate of Return	NA	NA
Withdrawal rates	5.00%	5.00%
Retirement age	60 Years	60 Years

Sensitivity Analysis

Sensitivity to Key Assumptions

(Amount in Rs.)

PARTICULARS	As at 31 st March, 2019	As at 31 st March, 2018
<u>Discount rate Sensitivity</u>		
Increase by 0.5%	14,65,335	11,92,864
(% change)	-5.73%	-5.40%
Decrease by 0.5%	16,51,684	13,35,229
(% change)	6.26%	5.89%
<u>Salary Growth Rate Sensitivity</u>		
Increase by 0.5%	16,52,398	13,35,662
(% change)	6.31%	5.92%
Decrease by 0.5%	14,63,930	11,91,800
(% change)	-5.82%	-5.48%
<u>Withdrawal rate (W.R.) Sensitivity</u>		
W.R. x 110%	15,56,497	12,65,469
(% change)	0.14%	0.35%
W.R. x 90%	15,51,498	12,56,100
(% change)	-0.18%	-0.39%

Description of methods used for sensitivity analysis and its Limitations:

- Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged.
- Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously
- The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

15. FINANCE COST

(Amount in Rs.)

PARTICULARS	As at 31 st March, 2019	As at 31 st March, 2018
